A2012-53

Dear Mr. Dean Granholm,

RECEIVED

We were so disappointed when we heard the news of the decision to close the Witten P>O>.

2011 NOV -11 A 10:09

POSTAL REGULATORY
COMMISSION
OFFICE OF THE SECRETARY

Because of this, we have made the decision to exercise the Appeal Right of having this procedure processed..

We can not understand that it will be saving so much money by having to send the mail to so many distant locations for processing and in the meantime delaying our mail.

Hopefully, there will be some agreement made to accommodate the public.

Sincerely,

Mr & Mrs - Calvin Adel
